EAGLE 1982 YEARBOOK

Canton
Independent School District
Canton, Texas
Vol. XXXVII

Now Showing

Alma Mater

Our praises high, we love to
sing,
My Canton High, My Canton High.
Our homage now to thee we
bring
My Canton High, My Canton High.
With friendship, loyalty, and
cheer
We serve our high school far
and near.
So fight as in those days of
yore
My Canton High, my Canton High.

Fight Song

Here they come, down the field,
Fighting Eagles from Canton
High.
They are brave, they are bold
Fighting hard to win and meet
their goals.
So beware of the green
for they are the winning team.
They will fight, tonight
With all their might
So beware of the mighty green.

Foreword

Like scenes of a movie, the yearbook should be a collection of visual images of school life in general, and the 1981-82 Canton Yearbook Staff has worked toward that goal so that you, the student, will be able to treasure the many, many, memories which are the basis of our lives from here on.

We hope you will enjoy the yearbook which the staff has produced with respectability — respectability that is due the students of Canton Schools who receive this book. We feel we have upheld our responsibility to the best of our ability.

Cathy McLaughlin, Co-editor

SHOWCASE

On the pages contained in this book, we have labeled the every day school and activity of young people's lives with movie titles. The special times and feelings that have occurred in this year will never be exactly the same as we all continue to learn and grow. This book and personal memories are our remembrances of the special year, 1982.

DEATH IS THE DOOR TO
LIFE EVERMORE

We live a short while on Earth below,
Reluctant to die for we do not know
Just what "dark death" is all about
And so we view it with fear and doubt,
Not certain of what is around the bend
We look on death as the final end

To all that made us a mortal being
And yet there lies just beyond our seeing
A beautiful life so full and complete
That we should leave with hurrying feet
To walk with God by sacred streams
Amid beauty and peace beyond our dreams
—
For all who believe in the risen Lord
Have been assured of this reward
And death for them is just "graduation"
To a higher realm of wide elevation —
For life on earth is a transient affair,
Just a few brief years in which to prepare
For alife that is free from pain and tears
Where time is not counted by hours or years
—
For death is only the method God chose
To colonize heaven with the souls of those
Who by their apprenticeship on Earth
Proved worthy to dwell in the land of new birth —
So death is not sad . . . it's a time for elation,
A joyous transition . . . the soul's emigration
Into a place where the soul's safe and free
To live with God through eternity!

MISS YOU

Miss you, miss you, miss you;
Everything I do
Echoes with the laughter
And the voice of You.
You're on every corner,
Every turn and twist,
Every old familiar spot
Whispers how you're missed.

Miss you, miss you, miss you!
Everywhere I go
There are poignant memories
Dancing in a row.
Silhouette and shadow
Of your form and face,
Substance and reality
Everywhere displace.

Oh, I miss you, miss you!
There's a strange, sad silence
'Mid the busy whirl,
Just as tho' the ordinary
Daily things I do
Wait with me, expectant
For a word from You.

Miss you, miss you, miss you!
Nothing now seems true
Only that 'twas heaven
Just to be with You.

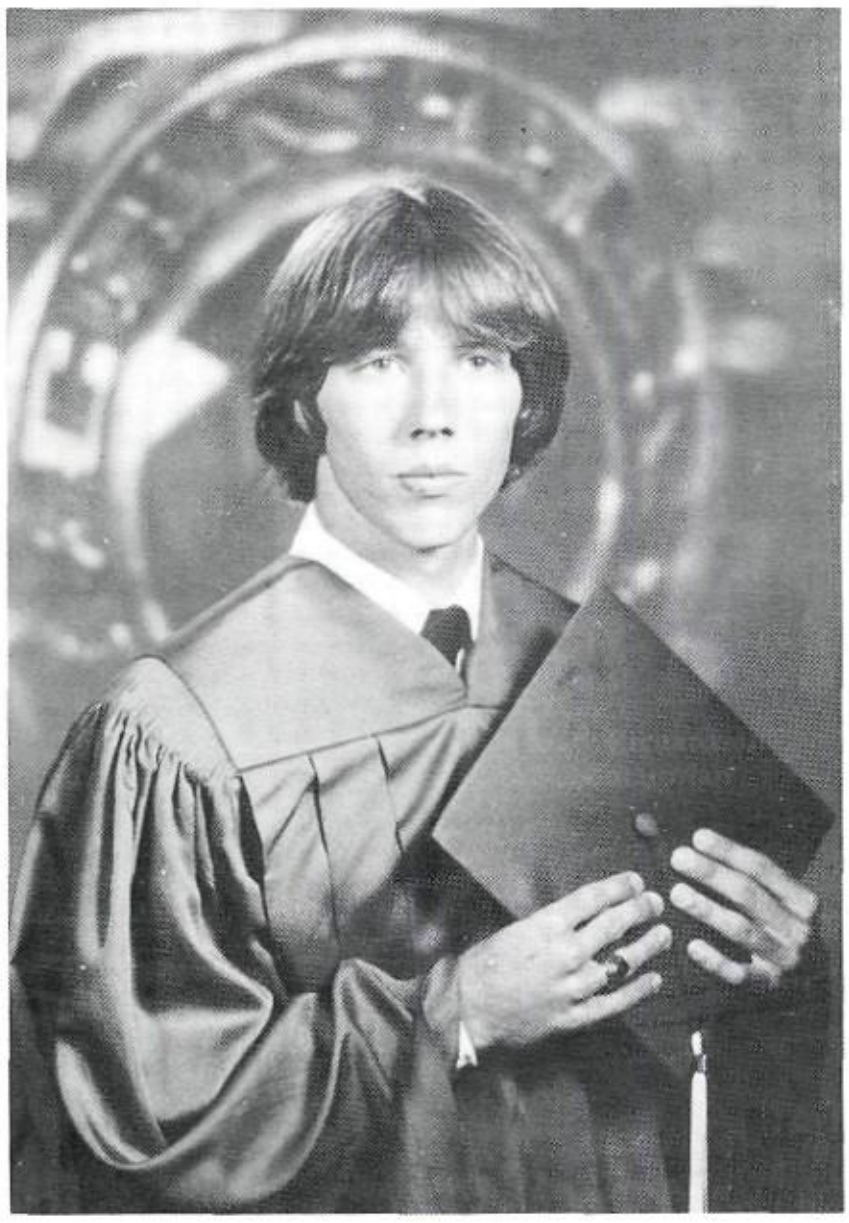
VALEDICTORIAN



The Valedictorian award is earned by the Senior with the highest grade average. This year's Valedictorian is Tommy Everitt, with an average of 96.45. Tommy's main interests include Football, Track, and Mathematics. The Valedictorian receives a scholarship to any state or church supported school. This fall Tommy will attend Texas A&M majoring in Petroleum Engineering.

"Dream big dreams; make big plans. Small plans can only accomplish small things. It is better to make big dreams and fall short of having them come true than not to dream at all."

Tommy Everitt

Donna Drake
SALUTATORIAN

The Salutatorian, the second ranking Senior, is Donna Drake, who has earned a 96.33 average. Algebra, Accounting, and Student Counsil are Donna's main interests in school. The Salutatorian receives a scholarship to any church supported school, but Donna has also received a scholarship to Tyler Junior College, which she will attend this fall majoring in either Accounting or Petroleum Engineering.

"During our years at CHS, we, with support of parents, teachers, and friends have developed a firm foundation to build on in the future. We face a challenging life, but I know we are all capable of reaching our highest goals.

Front Row (L-R): J. Barrentine, J. Bridges, C. McCutcheon, T. Risner, J. Ridgeway, B. Corry, A. Hilliard, T. Hobbs, M. Bridges; 2nd Row: P. Wiley — Secretary/Treasurer, D. Smith, P. Gay, N. Nix, S. Faglie, T. Watson, K. Pitts; 3rd Row: B. Montgomery, L. Corry, J. Erickson — President, K. Melton, D. Stringer.

Since its inception in 1972 at CHS, the Student Council has had as its aim to unify all general organizations under one control. This united student group has had the power to make recommendations for the betterment of the school and its members, to aid on the supervision of extra-curricular activities of the high school, and to investigate and report on matters referred to it by the faculty or administration. Over the past few years, the Student Council has conducted surveys, held elections, and supervised homecoming ceremonies and dances. Furthermore, it has sold sports ribbons, sweaters, and pens, has parked cars, and has run concession stands to provide funds for its general operation and for special school projects.

The Canton High Student Council works to form a more harmonious feeling between the students and faculty, to provide an opportunity for training and citizenship in government, to cultivate a sense of respect for the fellow man and for his opinions, to increase school spirit, and to implant in each individual the ideas of involvement, teamwork, pride, and accomplishment.

Distributive Education is a vocational training program for high school students who have a desire and aptitude for training in the fields of marketing and distribution. Distribution is the business of moving, storing, and selling goods from the producer to the consumer. Marketing is the assembling of process and skills needed to move, store, merchandise, advertise and sell goods and services.

ADVANTAGE: In the cooperative program, half of the student's school day is spent on the job in a qualified training station. The student learns the marketing process in a live laboratory, meeting situations, accepting challenges and improving his skills in stock-keeping, selling, receiving and marketing, displaying and related duties. The student is paid as a part-time employee and is supervised by training sponsor.

FUTURE HOMEMAKERS OF AMERICA

Founded in 1945, the FHA consists of junior high and high school students of home economics who believe in the importance of the family and the values that family life implies. Though the FHA has long been known as a girls' organization, today seven percent of the membership is male. CHS is very proud of the large number of people who participate in this organization.

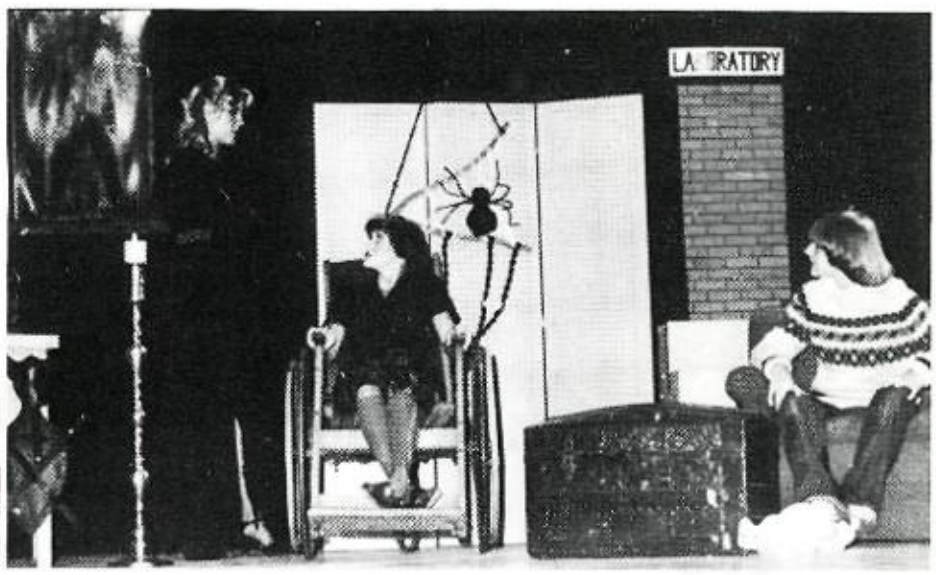
Drama offers every student some challenge at which he or she can succeed. The need of self-esteem and self-confidence in oneself is the most universal need of the student today.

By studying drama the student begins to realize the value of his or her individual traits and the invaluable contribution which he or she can make to the class.



Helen Hayes contributed the following statement about the world of drama: "When I consider how many of the world's greatest minds — Sophocles, Shakespeare, Goethe, Moliere, Ibsen, Shaw, Aristotle — have clothed their ideas in dramatic form; when I consider how the theatre has cut through the barriers of national, religious and racial prejudice when I consider the enjoyment, the enrichment, and the enlightenment it has brought into the lives of countless of millions down through the ages — I become very proud of my profession."

"Fame" Makers

The members of the Canton Eagle Band would like to thank Mr. White for all the time and energy he has spent helping us — for all the times he stayed after school and the times he came before school to help us be all we could be.

To a band director who cared enough to make band more than just another class. His willingness to help and his trust in us has sent the band in a new direction. We have never had a bad show, only the look of a band with a "Touch of Class."

Rodeo Club

The Rodeo Club is five years old and has sixteen members this year. The Canton Rough Riders are members of the Lone Star High School Rodeo Association which has approximately 750 members.

They compete each week in thirteen different events for which points are accumulated. At the end of the rodeo season, the top fifteen contestants in each event compete in the finals rodeo held at the State Fair Colosseum in Dallas. Contestants compete here for silver buckles and championship saddles.

Canton has always been well represented at the finals, bringing home their share of awards.

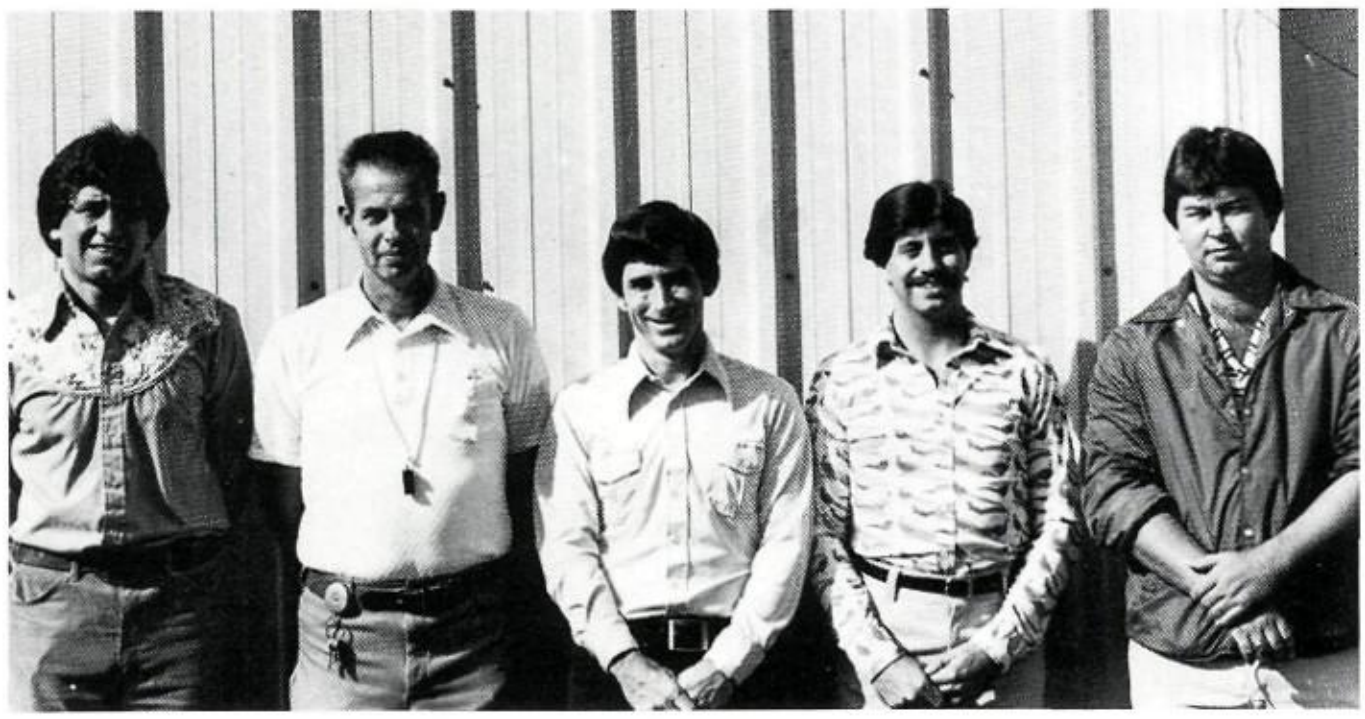
Coaches



The 1981-82 football season was headed by these men who strived to bring a group of boys from freshmen to seniors together into a team. They are Jim Bragg, Mike Newby, Danny Craver, Terry Holoman, and Stanley Williams. Through the long hot workouts to the bitter cold nights they stuck together through three months of hard work. These men and boys did not win our district, but they gained the great honor of achievement of playing the most popular sport in America "FOOTBALL."

Fellowship of Christian Athletes

F.C.A.

The purpose of the F.C.A. is to present athletes and coaches, and all whom then influence with the challenge and adventure of receiving Jesus Christ as lord and saviour, serving Him in their relations and in the Fellowship of the Church.

The F.C.A. is a new organization at C.H.S. Without the support of the faculty and the student body, and the leadership of Coach Danny Craver, we would not have come this far . . . Thanks!

On May 14, the Junior Class honored the Senior Class of '82 with a Spring Prom. The theme was "Moonlight and Roses." The cafeteria was filled with the scent of roses and magical beams of moonlight ready to carry you off. As the evening came to a close at 12:30 p.m. the couples drifted off with beautiful dreams and loving memories of Prom Night.

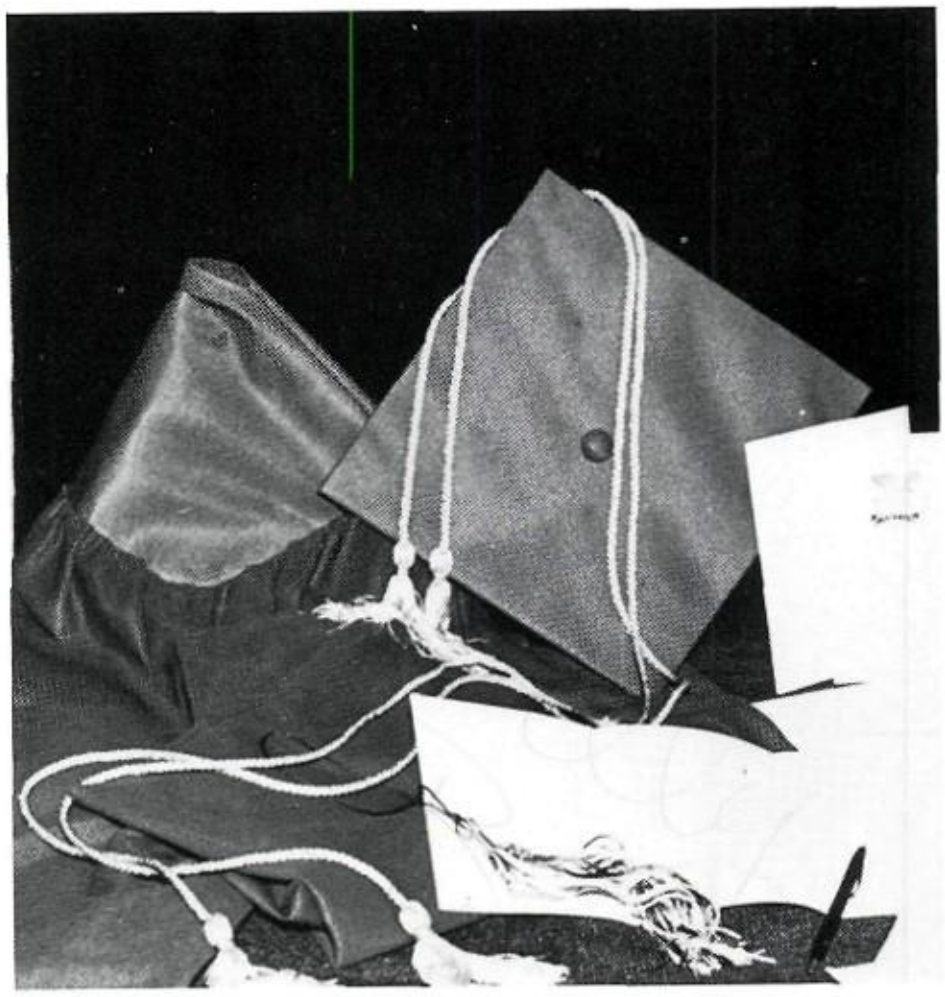
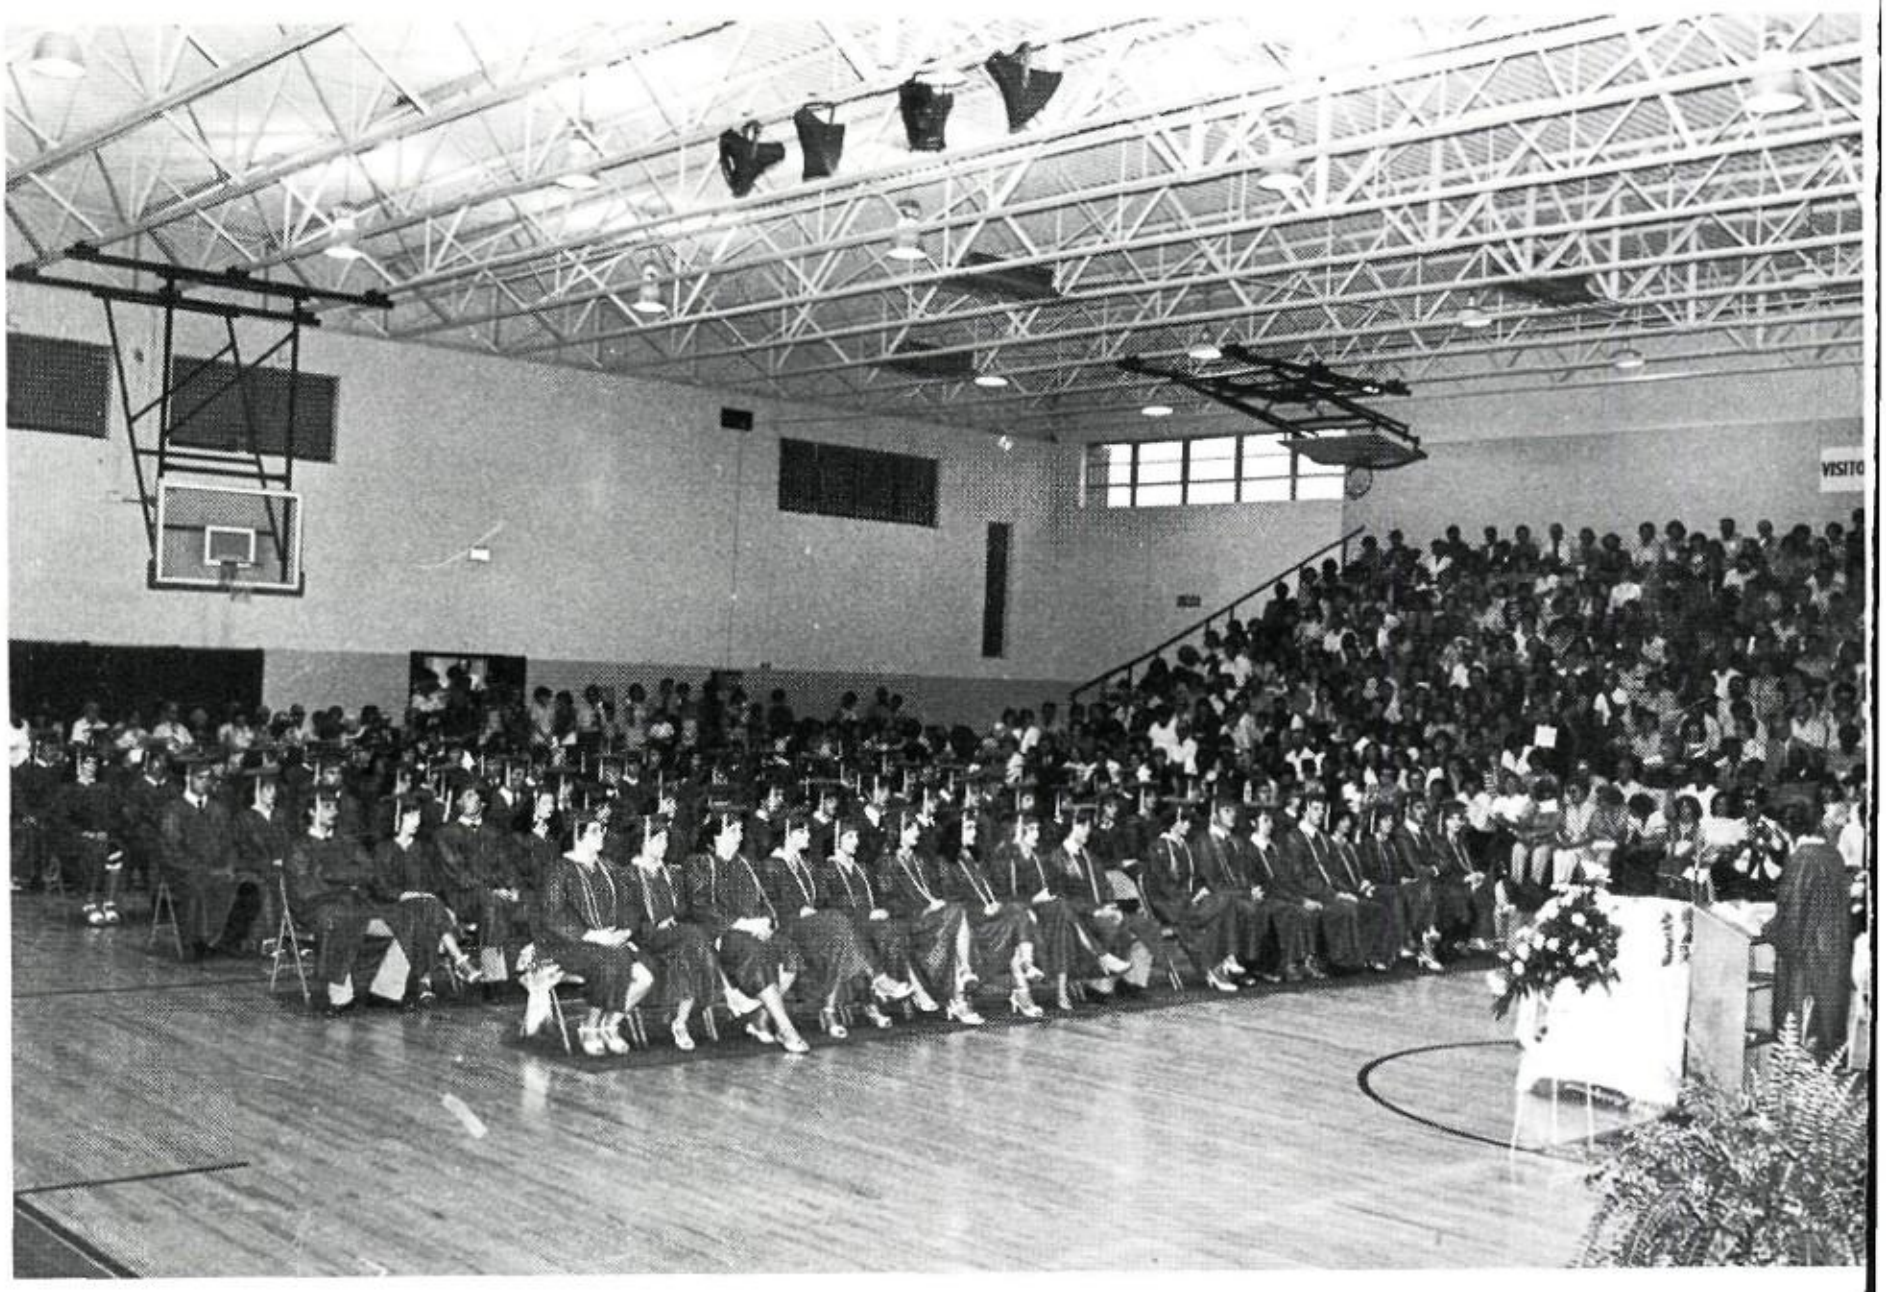
High School Graduation



Graduation is a time of good cheer for several reasons. This is the time when Seniors are all one whole body. Secondly, graduation represents the ultimate plateau of long years of studious work and joyful play. Thirdly, and most importantly, is freedom — freedom to shed the ropes which have bound these students to carefree youth and take up the responsibility of maturity, to be categorized under the honorable and sought after title "adult." Touching moments also fill the minds.



Friendships built by the hands of time may be thrown in jeopardy. Skills, athletic or scholastic, may be lost if left alone and never used. Also misused are the memories: First day of school, valentines for mother and father, football on the playground, being "Freshmen," beautiful romances, Prom nights, Government tests, Senior trip, and now for the finale — Graduation.

The Teacher

Lord, who am I to teach the way
To little children day by day.
So prone myself to go astray?

I teach them knowledge, but I know
How faint they flicker and how low
The candles of my knowledge glow.

I teach them power to will and do,
But only now to learn anew
My own great weakness thru and thru.

I teach them love for all mankind
And all God's creatures, but I find
My love comes lagging far behind.

Lord, if their guide I still must be
Oh, let the little children see
The teacher leaning hard on Thee

. . . Leslie Pinckney Hill.

You Can Help

Conserving electricity and all forms of energy not only helps save our nation's precious energy resources, it helps you and family save money. Do your part . . . close windows and doors when the heating or air conditioning unit is on . . . don't "graze" with the refrigerator door open — hot water takes energy, try a shorter shower — turn off the TV or stereo when you're through with it — work with your family to save energy now — you'll help assure there will be enough for everyone when you start a family of your own.

The years of learning are never over and the ones past are well treasured. Each in our way is great and yet small, but we will never forget these years of trial and error.

Acknowledgement

The 1981-82 Yearbook Staff would like to extend our deepest appreciation to all who helped make this yearbook possible for the students of Canton Schools.

We would like to thank Mr. Billy Nixon, High School Principal, for his consistently supportive attitude toward the events and proceedings of our staff. Without his cooperation many creative ideas might not have taken place.

We would like to remember the Canton School Superintendent, Mr. A. D. Whitaker, who has helped with the guidance and standards of the yearbook.

Finally, we would like to acknowledge the businesses of Canton, Texas, who have wholeheartedly been the single greatest contributors to the yearbook. The yearbook staff has sold more advertisements and sponsor pages than in recent years, and a large percent of the yearbook funding came from these generous businessmen and women. Without their support, we would not have the flexibility needed to add the "extras" which enhance the yearbook and make it not just a picture album but a book which depicts the lives, actions, and feelings of the Canton School students.

Herein, we cannot attempt to list all those individuals that contribute since that would take page after page to complete. So, in conclusion, to each individual, thank you. Your supportiveness and gift to us, either a word of advice, a monetary donation, or simply a pat on the back, can only be repaid through the work of art we produce.

We sincerely hope this book in itself, will justly show how we have used your contribution. It is the small gift of you which has become an integral part of this book. We humbly thank you.

Sincerely,
Canton Yearbook Staff

Starla,

Well we made it through another year! I've got one more year at big CHS, so I guess we better make the best of it while its here. You have really been a great friend to me, and I won't ever forget it. We've done a lot of crazy [redacted] things and had many good times together. I hope there will be many more! You are a great little cheerleader and a super person. I really think a lot of you, kid. I really like the way you stick to your own thoughts and beliefs. I admire you for not conforming to "the group" and for standing up for yourself. Hang on to those ideals and your values. I'm sorry I haven't been a good friend or a good influence to you. I'm not sure what my [redacted] bang-up is, but maybe one of these days I'll get it straight. Don't give up on me!

You can be as good as you want in basketball. You have a lot of talent - so use it! If you think you are somebody - you will be. You're only as good as you make yourself. Just look, you come from a long line of great basketball players - so how can you go wrong. Don't try to be Donna or Diane - just be yourself and no one knows how great you'll be! If you could just be like me you would be alright! HA! I hope we stay good friends and keep in touch. Remember: you're not beat till you quit, so hang in there, kid!

I love ya,
Rhonda #34
